

School Transport Minibus Service

Millfield has its own minibus service which provides daily morning runs across eight routes to both our Senior and Prep Schools.

Return runs are available subject to sufficient demand on four of our routes; Bath/Frome, Farrington Gurney, Taunton/Bridgwater and Wedmore.

The service is for children aged 7 upwards. Each minibus has a capacity for 12 passengers so early registration of interest is advised.

- Monday to Saturday, term times only
- Convenient and safe pick up points
- Flexible day choices - pick which day suits you
- Experienced drivers who carry a phone for easy parental contact
- Excellent value for money

For further enquiries or to book a place, please contact Jane Dykes in the Transport Office on **01458 444351** or email janedykes@millfieldschool.com

Places are available on a first come basis. If no spaces are available, names will be added to a waiting list. Half a term's notice is required for withdrawing a child from the service.
